SCF64605Y	4c Printer with 1 Yr Wty + 4 Yr CoverPlus
SCF6460H1Y	6c Printer with 1 Yr Warranty
SCF6460H3Y	6c Printer with 1 Yr Wty + 2 Yr CoverPlus
SCF6460H5Y	6c Printer with 1 Yr Wty + 4 Yr CoverPlus
OPTIONAL ACCESSORIES	
C12C934671	Optional ³ auto take-up (ATU) system
C12C934701	Additional roll media adapter set
CONSUMABLES	
C13S210063	Maintenance kit
C13T724000	Replacement 2L waste tank
C13S400145	Head cleaning kit
C13S902006	Replacement auto cutter blade
C13T53L200/300/400/900	2 x 1.6L C/Y/M/HDk Ink pouches
C13T46D500/600	2 x 1.6L Lc/Lm Ink pouches
C13T46D700/800	2 x 1.6L Fy/Fp Ink pouches
C13T46DA00/D00	2 x 1.6L Or/Vi Ink pouches

The Epson dye sublimation ink used in the SureColor F6460 & F6460H printers when applied to polyester fabric, pass the requirements of the Oeko-Tex Standard 100 for human ecological requirements of Class I products for adults, children, and babies up to 36 months. The standard specifies testing criteria for the presence of harmful substances within a textile product and belongs to the International Association for Research and Testing in the field of Textile Ecology (Oeko-Tex).

- Warranty is provided for all non-consumable items associated with printers sourced through Epson Australia. Cover includes print heads. It can be extended through the purchase of optional CoverPlus, either separately or as part of a configuration package. Free on-site repair is provided in major metro locations. Service is conditional on a range of factors including appropriate product usage, operation within the printer duty cycle, regular and appropriate user maintenance, use of correct and Genuine Epson consumables, activation and connection to the Epson Cloud Solution PORT system. Please see the Epson Australia and New Zealand web sites for full terms and conditions.
- Performance figures are printer speeds only; actual production times will vary depending on computing platform, print application, file format, size and networking configuration.
- ATU is optional with the F6460 and included with the F6460H.
- Additional Lc/Lm or Fy/Fp or Or/Vi ink must be ordered separately with the F6460H. The independent sourcing and use of a heat press will be required and an external heater/blower unit is generally recommended for ATU operation.

Cost-effective mess-free 1.6L ink pouches load via a tray system

Easy operation and maintenance with QR-code video guidance

Optional³ ATU for efficient roll-to-roll production with a calendar style heat press

Supplied with RIP software & backed by advanced support enabled by ECS PORT
